Dear Rebecca (my greatest friend)
hello! it's that time again where I'm gonna scribble and bring back memories. I'm gonna start this off by saying you are the greatest friend in the whole world. I love you so very much. I'm not gonna say I hope we're friends forever because I know we will be. We've been through so much together. You're family to me. You're family. I love you guys. I feel so welcome. I love you guys. Happy you are so sweet and kind, you are always so nice to me and I don't think we had one fight this year. We have such a great friendship. No one will ever be a better friend to me than you have. I'll never forget that big hug you gave me when I got that Key Club award. It meant so much to me to be thought of by you and given the satisfaction of doing something good in something we both enjoy together. I love you so much. You are just like a sister to me and I'm not kidding. You are always there to help me. You understand everything and you're always so caring. I'm gonna miss you this summer when I go away. You better write me you old part. I'll never forget all the things we did together like making, roller-skating, shopping, and camp. That was a blast. Ah Natha. Don't forget about CONAN. What a masculine man. If I ever lost you as a friend, I don't know what I would do. You're a special kind of person. Can you say I'm special. Sure you can. I'll be up to visit you as much as I can. I can't wait to spend my next to you laughing till my stomach hurts. In this case I find it hard not to. I love you so much, you mean so much to me. You're such a great friend. It's hard not to love you. No one has ever (out of all my friends I've ever had) helped me find the right kind of friends like you have. You've helped in so many ways. I don't know how to thank you. I hope this says it. I love you. Thank you for the little things you always do. I love you friend and I'll miss you. Be you. (Ha-ha) I want you to always remember me. I'll always remember you! Thanks for sticking inside me all the way. (turn to page right next door)

Pg -1

I don't think I could have come this far if you hadn't been beside me supporting me through it all. Next year I think I'll run for an office in Key Club. I know you will support me. You know what? I think we know each other pretty well. I think that's great. Sorry please for telling me as a friend forever. I love you so much. There isn't a time I've ever been with you that we haven't made a special moment. When I go up to the colors this summer, I'll search for a feather and I'll sit by it and say memories and then I'll probably start laughing to death. That was funny (ha-ha-ha-ha-ha-ha-ha) Shut up Natasha. OK. I've had so much fun with you. I couldn't have asked for a more better friend if I went up to God and placed a personal order in myself. That's the truth. You're cute and your smile makes my day. I always have a better day when I see you in the morning. You are a special person and I want you to be my friend forever. I love your sweet soul me anytime of the day or night just call and I'll help you. Even if it's 3:00 a.m. in the morning and you just need a friend. Please call because you are so special to me. When you're sad I'm sad. When you're mad I'm mad. When you're happy I'm happy. I hope this says it all. You know how when you start writing and you just want to keep writing because it makes so much to you. You just keep saying the same little things over and over because they have a special kind of meaning. (continued on next page 39)

Rebecca,

I'm glad I got to know you and I hope we can become better friends next year. Maybe we can work on more fundraisers together. No hard feelings!

Smile

Being at Homecoming

Being in the hall

Being with the Class of 82.

Being at Alhambra High School in the year of 1982. A lot went on this past year. Yet through all the ups and downs we made it through to survive.

Being at the football games cheering the team on even if we didn't win. Being in the classroom learning for the future even if we didn't enjoy the lecture. Being out in the Quad at lunch hours having fun in the activities. Being at Homecoming seeing your class float come in first or second. Being in your favorite club or sport through the ups and downs. Being at the District Office helping to save our school. Through all the events, games, homework and activities, we seemed to always stay with the SPIRIT. Thanks for *Being There.*

ACTIVITIES

Being in the Action

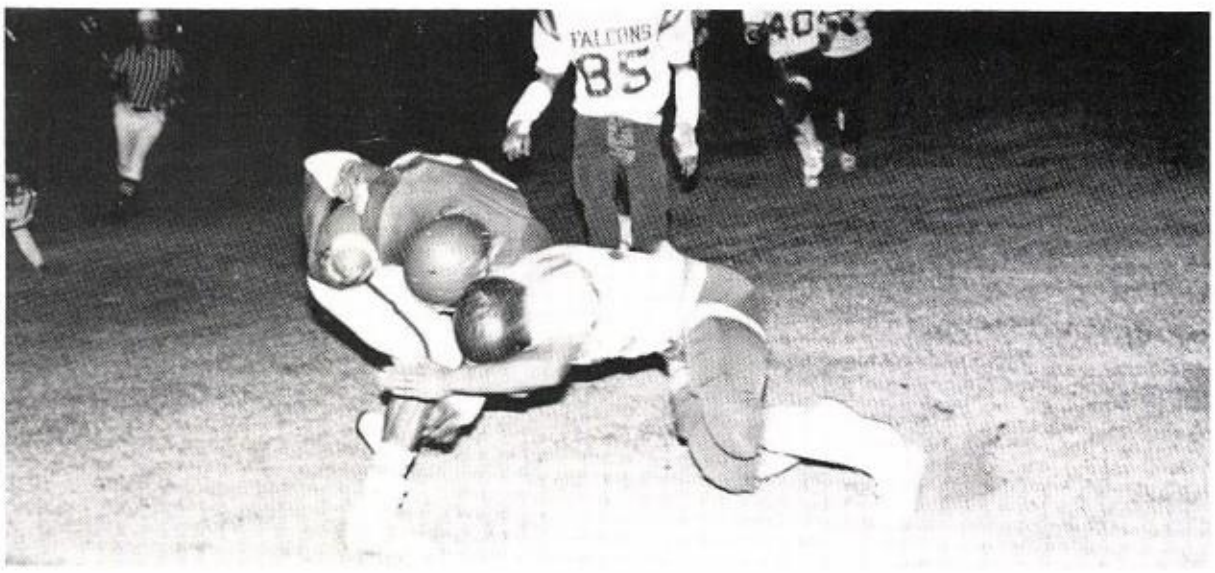
There were quad activities. There were regular assemblies. There were school plays. The Pep Band was always there to play for us. The Mascots were always there to raise spirit. The cheers and Pon Poms were always there to cheer on our teams. The R.O.T.C. was there to lead the flag salute. Student Government was there to put on activities and assemblies. *Scimitar* and *Fortress* were there to tell you what was going on and give you memories. But most of all, you were there by BEING THERE.

Fairy Tales Fulfill Homecoming Dreams

"Once upon a Fairytale", is Alhambra's 1981 Homecoming theme.

Many fantasies were fulfilled in the Lions 1981 Homecoming. Among these were the crowning of the new Homecoming King and Queen, Benji Lawler and Lisa Nannestad. The Lion's football team scored a big win, Homecoming night, over Carl Hayden 21-0. Winning floats were, first place, a tie between the juniors and seniors with the "Cinderella Royalty Float" and "Hansel and Gretel." Second place went to the sophomores and freshmen with "Jack and the Beanstalk."

Throughout the week there were many events such as the Dunk Tank, featuring Jamie McSorley, John Camargo, Mike Olsker, and Mr. Campbell, the slave sale, with belly dancers and hula girls, and other traditional Homecoming activities.



Quince Pippins is brought down by a defensive Falcon player on Homecoming night.

The Pom-pon line forms an "A" for Alhambra's spirit.

Pom Wins Awards At Summer Camp

The Pom Line shows it's spirit at a pep assembly in the quad.

The 1981-82 Pom Line won many awards at summer camp. Among them were the spirit stick, a second place plaque for team dance, and many blue superior ribbons. They also competed in the London Bridge Parade at Lake Havasu.

The line entertained crowds at pep assemblies and home football and basketball games. They also cheered along with the cheerleaders to raise spirit at the games. The line was led by Captain Julie Hughes, Co-Captain Tammy Dodt, and new sponsor Linda Volk. To raise money they held car washes, sold buttons and ribbons. This money was used to pay for carnations, punch, and cookies for the football players and for pom uniforms.

Cheer Boosts School Spirit

The 1981-82 Varsity Cheer line boosted school spirit by cheering at all football and basketball games and at pep assemblies. The line led cheers and did various kinds of mounts.

The new sponsor, this year, was Miss Linda Volk. Captain was Linda Altimirano and Co-captain was Gayle Tang.

To raise money the cheer line sold spirit towels, ribbons, key chains, and had several car washes. The money was used for camp and to buy uniforms. The J.V. Cheer line did much of the same as Varsity. Captain was Robyn Epperson.

Mascots Learn Basics Of "Being Funny"

The Mascots, this year, did much in raising school spirit. They were dressed to entertain crowds at football and basketball games and at pep assemblies. There were more members participating than in previous years.

The sponsor was Mr. Wayne Anthony, Captain was Amy Berberich and Co-captain was Reeny Butler. In order to raise money for cleaning the Lions suits and for getting jackets, they held a key chain sale. The members' main learning experience from this activity was how to be funny and outgoing.

Majorettes Perform Tricks For AHS Crowd

This years Majorettes performed many tricks for the AHS crowd. Among these were falling stars, back hand catches, and finger twirls. They performed at football and basketball games along with the band.

To raise money they held a Twirl-a-Thon for ten hours. The money was used for camp tuition. The students participating on this activity learned how to present themselves well in front of people.

Student Government Helps Others

Student Government sponsored many activities including Homecoming Spirit week, brotherhood, the 20th anniversary celebration and career special days. Many lunchtime activities were also sponsored by Student Government. They held dances, candy sales, and flower sales to raise money for school and various community services. Some of the money was used for charities such as ARCH, Gompers, and March of dimes.

The band performed at pep assemblies, and at pre-game and halftime shows during the football season. After football season the marching band became known as the concert band and performed in the auditorium to the crowd. Mr. Richard Felix was the director for second semester.

Funds were used for instruments, uniforms, and to support the Flag Line.

Shorter Deadline, Harder Work

The 1981-1982 *Fortress* Staff worked all year to put the yearbook together. The staff met everyday, 6th hour after school and during lunch to meet their deadline. The deadlines consisted of forty or more pages that were due every other month. When the book was finished, they worked on proofing pages and how to better their journalistic writing.

Over the summer, and twice during the year, there were conventions, which Stacey attended, to help learn how to improve the book. AHS won the best yearbook cover in the Southwest.

Every year the *Fortress* tries to top the other yearbooks, which means a lot of hard work and longer hours.

Scimitar Keeps AHS Informed

The *Scimitar* (school newspaper) helped inform the public and school about what was going on around Alhambra.

This year's editor was Karen Blochberger with advisor Martin Krey. To be eligible to work on the staff students had to know how to write about journalism and have approval of the advisor.

This year the staff planned to enter the paper in two competitions: first, CSPA; and second, NSPA. This would give them a chance to exchange ideas with other newspapers and their staffs.

One By One They Were Murdered

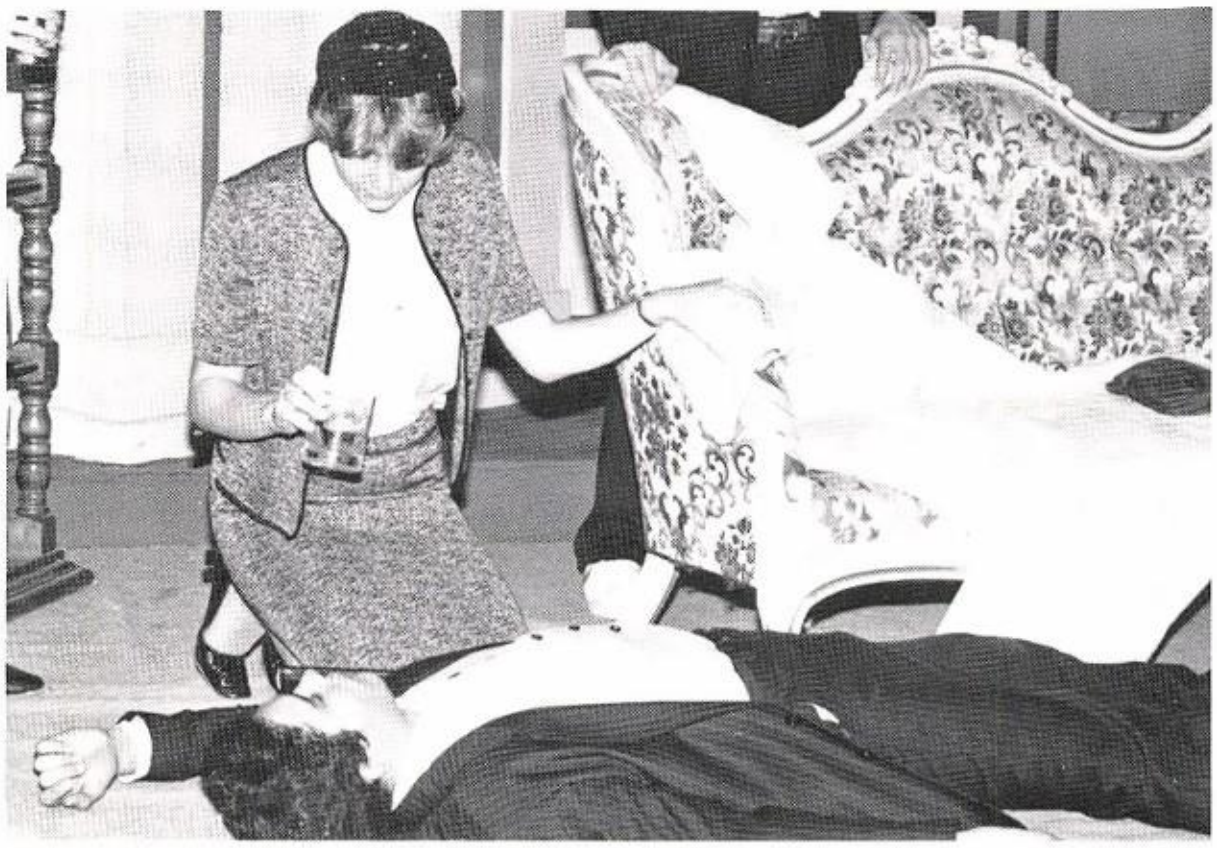
Alhambra Little Theatre Arts presented "Ten Little Indians" by Agatha Christie, a mysterious play that took place on February 18, 19, 26, and 27.

The scene took place in the living room of a house on Indian Island, off the coast of Devon, England. Ten people are invited to Indian Island for a vacation in 1910. Soon, though, they are killed one by one, all in one of the ways a Little Indian was killed in the nursery rhyme. The climax comes when there are only three people left, one of whom is the killer. He is found out and is finally shot and dies at the end, leaving only two little Indians, Vera Claythorne and Philip Lombard, to survive and go home.

Sir Lawrence Wargrave tells the guests that the deaths have all taken place as they did in the Nursery Rhyme.

Dr. Armstrong explains that Mrs. Rogers has not been killed-she just fainted.

Vera Claythorne nervously pours coffee for the remaining guests.



Dr. Armstrong discovers that someone has drugged Anthony Marston's drink and murdered him.

Uschi Enjoys Her Year At Alhambra

Ursula Rethschulte, exchange student from Germany.

I want to thank everybody here at Alhambra High School for making going to school one of the best experiences in my AFS year here. School is very different from Germany and I enjoyed the opportunity to take unusual classes and to participate in sports which I never knew before like softball and archery. Student Government was another thing that was totally new to me, and I enjoyed the activities and the school spirit. I'm going to miss a lot of things when I go home to Germany, the nice weather, my host family, all my new friends, but Alhambra will be a big part of my memories. Most important are all the people I met that didn't see me as a foreigner but as a friend. I thank you all.

Sincerely,
Uschi

The 1981 Lion's football team ended the season with a record of three wins, seven losses. Inexperience of the players proved to be the major cause of the low record. Another major cause was the possibility of losing the head coach, Paul Hoffland.

The season started off on a winning note with a surprising victory over a tough opponent, the Apollo Hawks. The Lions then played Washington, which started a string of bad luck, with a 14-0 loss, until the Homecoming victory against Carl Hayden, 21-0. The next game was against the Maryvale Panthers which ended with a score of Alhambra 14, Maryvale 28. The final game of the season ended with a overwhelming victory over West with a 18-13 score.

Golf Team Lacks Experience

The Golf Team did not do as good as they had hoped to do. Bill Wharton, the coach of golf, stated that most all the games were hard for them because of their lack of experience. Each year the team has had few returning players, but this year there were none. Nine students tried out to be on the team and six of them were chosen to be on it.

The golf season this year was a short one for Alhambra. The season was over on the week of November 6th.

Alhambra Almost Goes Vocational

During the 1981-82 school year, Alhambra High was recognized as the site for the district vocational school. After many discussions and many votings the district officers decided to leave Alhambra open as a regular high school and change West to the new vocational school and close down Phoenix Union High School.

One other main influential problem this past year was the computer. This was the first year Alhambra relied on the computer totally to do registration. There were a few underestimated problems that occured: it took ten minutes more to start to register each student.

There were new programs this year, as usual. One was the TMH program which was for the mentally handicapped. The second was the LD/EH program which was for the special learning student. The last was a new gifted program for freshmen. This gave them a better chance to advance faster.

New Staff For Security

This year in the Security Department there were three new faces around Alhambra. Security helped to keep the students in order. They had a rather busy year with certain problems around campus. Security was around to help students keep out of fights, get to their classes, and just to watch over them. The security guards had extra help around Alhambra with student-aide security guards. They walked around school reporting things to the main security guards.

George Breshears, one of the security guard aides, works in security office.

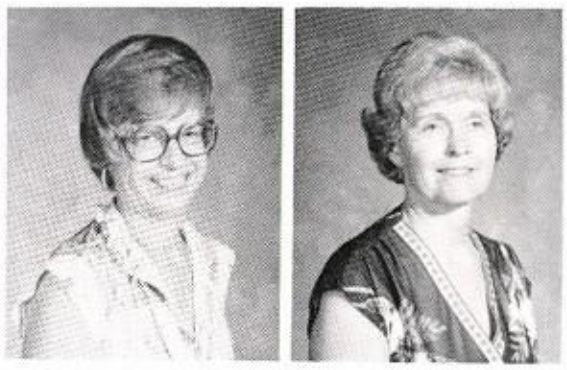
Loren Russell, assistant chief of security; John Porter, Leta Dew, Frances Shroeder, and Louis Smith, Chief of Security.

Special Students Received Help

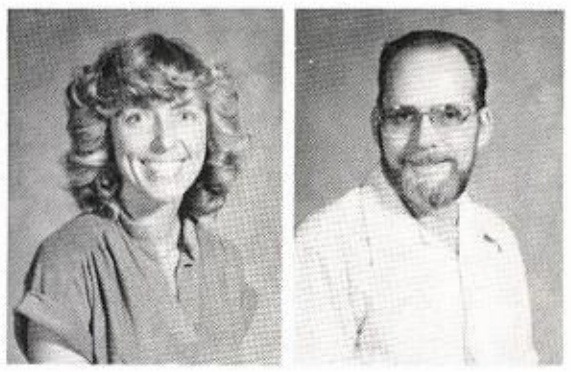
The people in the Services Department this year helped students with problems such as hearing defects, speech defects, vision defects, and mental problems.

The services included in the services department were the Health Center, the Vision Lab, the Hearing Lab, the Speech Lab, and the School Psychologist. These services were available to all students. They helped many students.

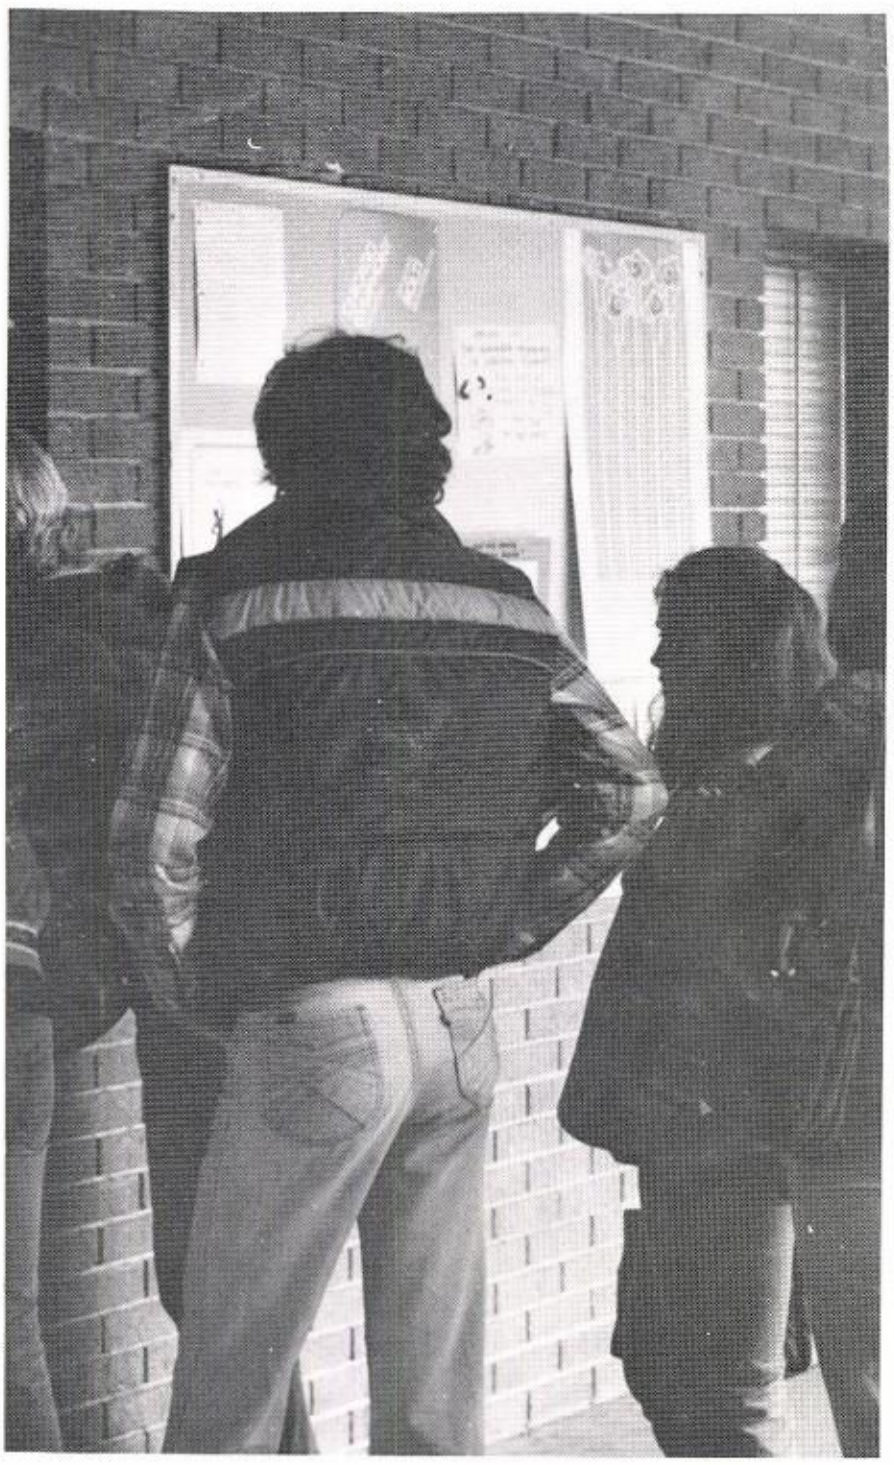
Ann Boltz was in charge of the Health Center. Louis Smith was the Security Chief.



Carmen Suminski was in charge of the Vision Lab. Jean Vemich was in charge of the Hearing Lab.



Liz Wallace was in charge of the Speech Lab. Albert Foehring was the School Psychologist.



Students wait to be aided by the bookstore attendants.

Anyway, I want to say without forgetting what I hope every-thing works out between you and Keith just I know you're not as happy as you could be. If you ask me, I think he's crazy for going for her but you just wait ... one of his head class he's gonna be at your heels so much you won't know what to do with him! I'm sure you don't mind that too much though. Look at me .. I've waited all year and I'm still waiting! I think will work out.

Becky. Remember always to go for the best because you'll get what it takes (oops) to get whatever you want out of life. Keep your run up (I guess that should ~~be~~ (oops) easy because the weight of your hair!!) and go for the gusto this is not a beer commercial.

As for being in typing with you all year, I'm so glad we were in the same class!! I never would have made it without you.

I think you're about the greatest friend a friend can have and I'm glad you were mine.

I'll never forget you or all the things you've done for me.

Lots 'a

'82's Class Involved In Activities

The class of 1982 was led by Barb Pettett with help from sponsors Mr. Johnson, Mrs. Ekmanis, Mrs Radell, Mr. Nelson, Mr. Chowaniec, and Mr. Groeing.

This year's seniors got involved in many activities such as building a first place float, sponsoring the senior dance, selling Homecoming carnations, giving the senior class gift, graduating, and finally going on the Senior Fling.

The senior class officers met after school once a week and during student government to discuss and plan these activities.

From being in student government these officers learned leadership and the importance of working well together.

SENIOR SENATORS: Kim DeHart, Nancy Ong, Peggy Jorgensen

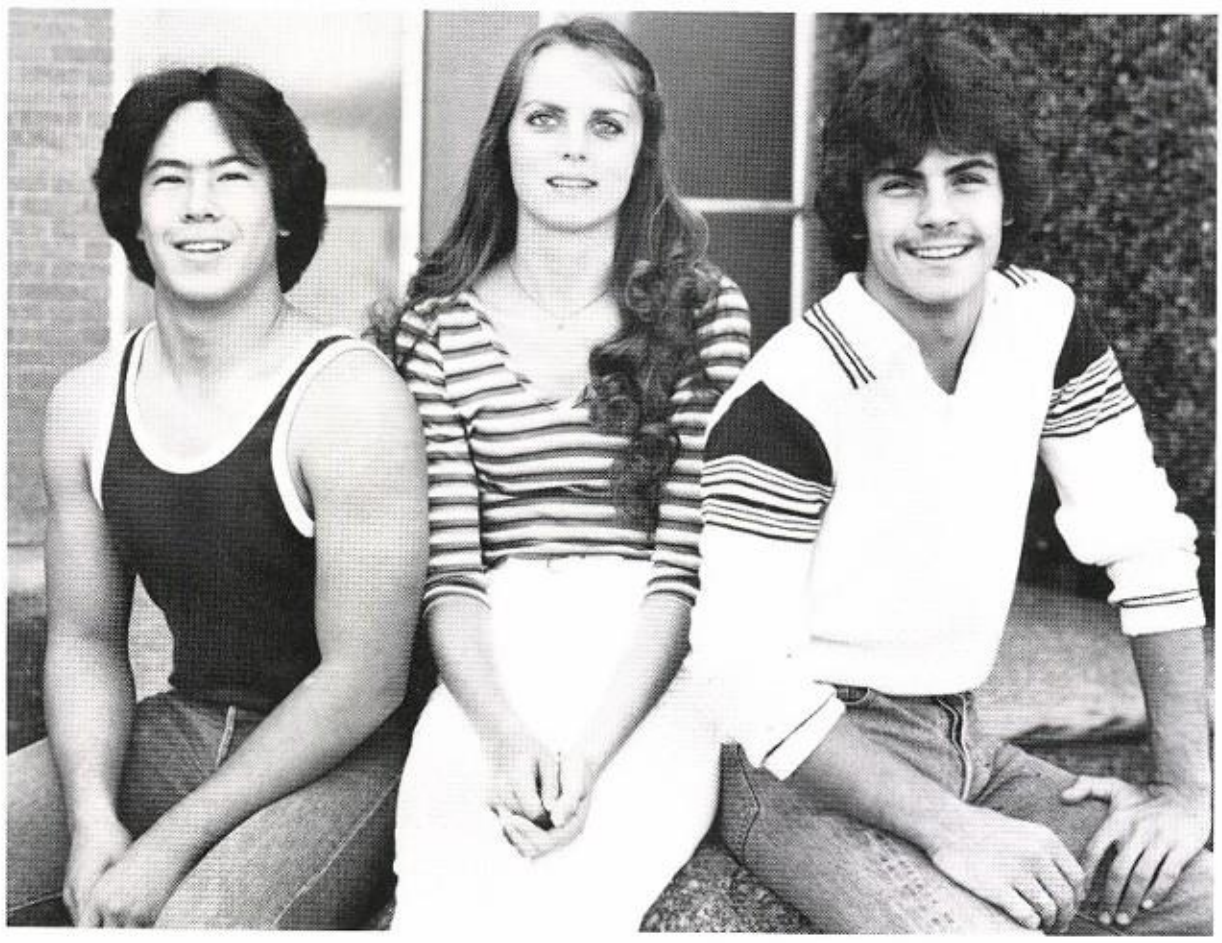
Juniors Win Against School Closure



Vice President, Charlie Meeks; Secretary/Treasurer, Paige DeHart; President, Paul Mancuso.

The class of "83" started off on the right track by tying for first place in the Homecoming float contest. Cinderella was the theme for the float which carried the Homecoming royalty.

Junior officers planned activities such as a candy sale, key chain sale, T-shirt sale, and several school dances. The money from these activities was used for the '82 Junior-Senior prom which was sponsored by the Junior Class.

The Junior class also held activities to help special organizations around the valley. From the many activities the Junior class participated in they learned to have fun, get to know each other, and become active in school activities.

The sponsors for the class of "83" were Shelley Johnson, Diane Malenfant, Claire Hurlburt, Bill Wharton, Bob Groenig, and Dave Tillotson.

Senators: Dorthy Lizarraga, Bob Hallada, Kelly Niehuis.

Sophomores Get Involved

Sophomore officers, Vice President: Monica Rangel, Secretary/Treasurer: Julie Tang, President: Tammy Meeks.

The Sophomore Class was sponsored by Mr. McCauley this year. During the year they held several activities such as Sophomore dance, coming in second place, along with freshmen, with "Jack and the Beanstalk" float. They also held many fund raisers such as selling candy, Homecoming t-shirts, and car washes. This money went to help towards the '83 Junior-Senior prom. Other activities were helping with canned food drive, Gompers and ARCH.

From these activities they learned to work together and have fun with other classmates, and also to understand about the school more.

Pat Kearny Leads Freshman Class

Pat Kearney-President, Betty Decker-Vice President, Tasha Turley-Secretary-Treasurer, (not shown)

The Freshman Class had many activities planned this past year. Among them were a car wash, a candy sale, a gum sale, and a freshman T-shirt sale. The money raised would be used for a future Junior-Senior prom and the freshman-sophomore homecoming float.

The freshmen's first homecoming was successful. The freshman-sophomore float, with the theme "Jack and the Beanstalk," came in second.

The Freshman Class officers this year had to be elected and be able to work hard. The student officers met every Monday to decide what activities they would do and also to learn about student government and its organization.

Senators: Diana Contian, Cathie Lutes, Crissy Walker.

Freshman candidates for class offices look over their speeches before the big moment.

Thanks To All Who Made It Possible

Dear Alhambra High School:

Being at Alhambra High this past year has made many Memories which I hope we have captured in this 1981-82 Fortress.

This book took many people and a lot of time to put together which I would like to take this time now and Thank: First to American Yearbook Company and Mr. Chuck Bursell who made it possible to make this yearbook. Next to Mrs. Judy Wiedower and bookstore staff who helped with the sales. Also Fran Smith, Ron Christensen, Bob Wilcox, Jon Brinton and Scott Orr for extra help in Photography. My greatest thanks goes towards Mr. Larry Cunningham. He put in many extra hours and threatened to quit many times but without him we couldn't have completed the book. I would also like to give a special thanks to my staff, Dennis Lindley, who, with a lot of nagging, we got photos from, and his two assistants, Tom Sherwood and Sean McHenry. Also my staff (or, as I say, my children) Camella Riccitelli, our manager, who did a great job selling the book; Cathy Britt, who struggled through the club section again; Donna Szczepaniak, who had a hard time dealing with Academics; Katie O'Neal, who kept us informed on the Activities; Kelly Hudspeth, who we thought would never get sports straightened out but she made it; and the classess workers - Kelly Heneghan, Leann Owens, Julie Tiscareno, Susan Drake, were all terrific. I would also like to make a special thanks to Mr. Cunningham's third and fifth hour classes for their help in the letter handout.

This year we had a shorter time in which our deadlines were due. Yet we managed with a lot of pressure and hard work. Yet, we did make it through another year to say so long Alhambra, thanks for *Being There.*

Thank You,

Anastacia McCarthy

You are a really neat, funny person. next year do try not to act "so mature!"

Have a great summer; call me sometime. (841-4902) we can get together and do something.

Good luck always; keep your eye on all those men!!

Love ya always,
Kim

I can't ever tell you how much your friendship means to me! You can't imagine! We have been through just about everything — I enjoyed listening to all of your stories and problems and happinesses! Remember all of the fun times too! Shoe-shining - I'll never - ever forget that! That's where I met my bestest friend ever! Who would have ever guessed that you would have come up to me that day?!! I'm glad you did!!

Rebecca -
Thank you so very much for all the time and effort you put into KC. I realize that at times it seems like there is so much to do. Next year as the secretary you will have more and extra pressures on you. I hope that you will develop a Newsletter to mail out with the sports. I hope that you will help Dan and your officers have a great school year. We won't have the problems next year as this. It should be a super-year for all of us. I thank you for your support when the times we had for me earlier this year. It seems like this year has flown by. I guess that's because we are always so busy. I appreciate you so very much. I wish you nothing but the best.
Always - Mr. Cushion.
